Aaron & Kristia Reisinger

October/November 2026

Hopefully, many of you are enjoying the feel of autumn as the seasons change. Living near the equator, there are really only two seasons—rainy and dry. We do not see anything that resembles what we are accustomed to in the States, but we still think about the amazing variety of colors God gives us during this time of year, and we hope it is a beautiful fall for everyone. Thankfully, there is a store here in Colombia that resembles a Dollar General, and Kristia has found pumpkins, sunflowers, and fall leaves that help her feel a little more at home.

The last couple of months have kept us busy with travel to two different areas of Colombia to help national church planters. We traveled to Santa Marta, near the coast, to fill in for a pastor who was away, and then to the city of Cartago, which is a poorer region farther south.

While in Cartago, we had the opportunity to participate in an evangelistic conference each evening, and I had the privilege of preaching in the youth meeting on Saturday morning. We also ran a bus route in the city to bring both adults and children to the services. God greatly blessed the meetings and a number of children and adults professed faith in Christ during the conference. Please pray for these churches and for the spiritual growth and faithfulness of these new believers.

The more places we visit around the world, the more humbled and thankful I am that God allowed us to be born in America and that He gave us a godly heritage.

In between these two trips, we had a week-long Bible conference with many visiting preachers from North and South America. It was a very busy week with all the planning, setup, meals, the Bible history drama, and special music, but God blessed us with many encouraging and challenging messages.

In October, we will be helping with teen camp. A number of churches will be participating in this teen ministry. Please pray that the

young people will be challenged to live godly lives and encouraged to take a bold stand for Christ.

We have also begun helping to teach English as an outreach ministry. We have classes at the church and in our home. Many people have expressed an interest in learning English, and we hope this ministry will continue to grow and be a blessing.

PRAISE AND PRAYER

After several months and a lot of prayer, we have both finally received our visas! Thank you to each of you who prayed specifically for this process. It was long and tedious, but we now have about 18 months before we have to begin the process all over again.

Please continue to pray for our language development as we desire to communicate much more effectively. I have the opportunity to preach or teach each week, and Kristia is helping teach a children's Sunday school class. Both of us have also had opportunities to help with discipleship over the past few weeks. We greatly appreciate these opportunities, but we still have a way to go in our language development.

Kristia's knee continues to improve, and hopefully she will soon be up to hiking in the Andes!

We sincerely appreciate each of you and are grateful for your friendship, prayers, and support. We are praying for each of you in our extended church family and for your faithfulness and service to the Lord as well.

Above all, may we be found faithful.

In His service,

Aaron and Kristia Reisinger
