Missionaries in **Uganda, East Africa** since 1996

September – October 2026

Dear Friends,

It has been a blessing to see **seventy-six people saved** during the last few months. **East Africa Baptist College** now has 62 full-time Bible College Students. It is a blessing to have students from Uganda, Rwanda, Congo, and South Sudan. It is our prayer that we will one day have churches in each of these countries. Please pray for our students as many are first generation Christians and they struggle financially and with their families who try to pull them back into their former religions.

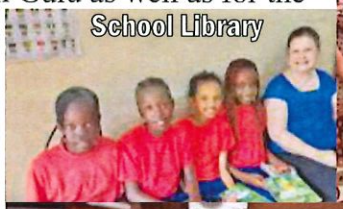
Please pray for our Bible College graduates as several plan to start churches in the next few months. We plan to meet with them in November to go over their plan for starting and to see how to meet with them for soul winning as they start. We also had a **Missions Conference** at the church and had our highest commitment for Faith Promise. The people here were encouraged in giving and in soul winning. Many of them made commitments to invite people to church and they set individual goals on how many people they wanted to see saved during the next 12 months.

We also had **Flag Sunday** in which people took a photo with the flag from their country These are just a few of the ones that were represented on that day. It is a blessing to be able to see people saved not only from Uganda but from throughout Africa.

The **Children's Bible School** went very well, and we had 30 Children saved.

Calvary Radio: Please continue to pray for Calvary Radio as we reach people in Northern Uganda with the Gospel. This Radio Station was given to us at no cost, but there are many costs involved in running a radio station. We just received news that a church has taken on the radio station for support. Please continue to pray with us as we still need to raise more monthly support for the radio station in Gulu as well as for the Printing Ministry in Kampala. If you would like to give to these ministries or a special project then you can give through **BIMI** to ***TRIPLE C MINISTRIES* # 507**

If you would like a brochure for ***Triple C Ministries***, then please contact me at jcpridgen2@gmail.com



Gospel Light Baptist School has 500 students this semester. It is a challenge to run the school, but the blessing is that we are seeing many children get saved. Please continue to pray for this ministry as we need to build a new school building.

We had 2 saved at the ***Youth Conference*** *and many other decisions were made for purity and for serving our Lord.*

Thank You For Your Prayers & Faithful Support.
