REACHING THE WORLD WITH OUR TOOLS

Dear Friends, **October Prayer Letter 2026**

The project featured in this month's prayer letter was at Ann Arbor Baptist Church in Ann Arbor, Michigan. We had the opportunity to help this church with an ongoing building addition. God brought us several volunteers & we enjoyed working side by side for the kingdom.

Each morning, we had a time of devotions & prayer together to start our day right, & it was a sweet blessing as always to hear from the young people all the way up to the aged. Not only were our volunteers there, but we were often joined by several church folks as well. Everyone took turns sharing what God has been teaching them & how He has been so faithful through it all.

Ann Arbor is close to where Phil attended Bible college so he was able to connect with many old friends we haven't seen in years. It was so encouraging to visit with them & learn that they were still serving the Lord & being a blessing to those around them!

In the end, the pastor & the church family were very encouraged by the work done & the money saved in the process. **YOU** had a big part in that & our gratitude abounds!

We have the opportunity to be a part of our sending church's mission conference October 28th – November 1st. We are looking forward to seeing our church family again & excited to see how God is working & will continue to work through FaithWay Baptist Church in the area of world evangelism!

Please pray for us as we put together our 2027 calendar. Currently, we have projects in Georgia, British Columbia, Nova Scotia & possibly Belize. Many things are still up in the air for various reasons, but we are trusting the Lord to make it all make sense in His time. Enjoy the photos from our most recent project on the next page.

Reaching the World with our Tools,
