SUMMER MINISTRY

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

It has been a busy summer, Apart from the activities that we have here in Hermosillo, I was invited to participate in a youth conference in Mexico City. What a privilege to open God's word and preach to several thousands of teens. Many decisions were made. It was a blessing to be able to participate in that way and invest

in the next generation of Christians.

In the month of August we had a marriage activity and several youth activities. Several received Christ as savior during our services and our soul winning endeavors.

During the month of September we were invited to preach a missions Wednesday in a supporting church in Pheonix. What a blessing to preach in a church that has supported us from the beginning . During this month we also had our soul winning training. Our goal was 120 soul winners and we did not meet our goal we had 115 for this training. Next year will continue to have our goal of 120 until we get there. Our Goal is to continue to grow in our soul winners so we can reach more people.

October was a very busy month. We had

YOUTH CONFERENCE

our leadership conference in Hermosillo. We had the privilege of training pastors and laypeople in the area of ministry. I taught lessons on biblical counseling and other speakers that were invited also taught topics concerning the ministry. There is a big need for ministerial training here in Mexico. I was also invited to teach another pastors conference in the city of Mexicali,Mx. and I was able to do more ministry training. These pastors will go back to their home churches and reach more people with a renewed spirit and more training- it is exciting to know I had a part in it and you have a part in that also!

Please continue to pray for our christian school and Bible institute. May the Lord call many of these young people into His harvest. We are also thankful for some donations we have received. We were able to buy a new Mac mini, and we received a call that we are being mailed another used laptop. We continue to try to upgrade some of our Apple Mac computers that we have. Continue to pray as we are saving to buy a building or land. As we continue to grow we will continue with our vision of for the furtherance of the Gospel.

Please continue to pray for our christian school and our discipleship program as we continue to work with new believers.

Prayer needs:

1. Maturity of our church family
2. Boldness in witnessing - fruit that remains
3. Wisdom in leading the church through giving for a future building or land.
