Preaching the Gospel of Christ in **LIBERIA, WEST AFRICA**

Dear Praying Friends,

September 2024

Thanks again for your prayers and investment in our ministry. Another three months has come and gone very quickly!

Praises

We'd like to say a special thank-you to everyone who prayed for us as we moved to Bowie, Texas to begin our linguistics training at Baptist Bible Translators Institute. Praise the Lord, the trip out to Texas was uneventful. We got settled in in August, and we're already halfway through our first semester! Linguistics training has been going very well. We pray that this will be beneficial as we seek to learn a Liberian tribal dialect in the future. Thank you so much for your prayers for us we continue to learn!

The Biggest praise for this quarter is that we have reached our goal for support! God has been so good to us, and God's people have been very good to us as well. We are very thankful for each church that has had us in to present our ministry, and we are so blessed to be able to be fully supported as we begin our linguistics training. Lord-willing, we will be able to begin saving towards our board and passage fund! This would make it possible for us to head for the field as soon as our linguistics schooling ends!

Plans and Projects

Over the next few months, we are going to be focusing on dealing with the nuts and bolts of planning to move to Liberia, as well as working to conclude our literature container project. We have already been able to receive, print and load much of the material for our literature container. Right before we moved, we were able to pack up 25,000 Gospel of John booklets provided by Plain Paths Publishers out of Crossroads Baptist Church in Columbus, NC. They have been a tremendous blessing in providing these! Praise the Lord, all of the material provided by Bearing Precious Seed for our container is completed as well, and Kyle will be flying to North Carolina the weekend of October 18th to load ten pallets of Scriptures and outreach materials into the container. Please pray for safety and that the materials will get packed efficiently. Each box must be wrapped and sealed in order to survive the heat and humidity. Please pray for wisdom and guidance in working out the logistics of shipping the container as well.

Prayer Requests

- Please pray for our Literature Container Project.
- Please pray that the Lord will supply funds for our boarding and passage before June of next year.

Thank you for your prayers,
Kyle and Elisabeth Burchwell
