Thank you for your prayers for Chance, Ashton, Reagan and Rickilee for salvation. I am happy to share with you that Ashton has trusted Jesus as his personal Lord and Savior. Praise the Lord! Chance had stopped coming to Church but this past Sunday he was standing at our door at 8:55am ready to go with me to Church. My heart was thrilled to see him and the decision he made. Of course, the devil was not happy he was there. After church he received a phone call from his sister that really upset him. She said some pretty bad things to him that discouraged him. Please keep praying for Chance and his siblings for salvation.

At the end of June, we were able to spend some time with sister Churches at a winter family camp. We enjoyed messages from Evangelist Frazier Young from Australia. It was great seeing him again as it has been 20 years since I had last seen him. The time with fellow believers from these other Churches is always sweet and enjoyable. Some of the guys went out Possum hunting after dark and were able to bag a couple.

We have been distributing literature in the town south of us, Carterton. It took us a few days to complete but every house in Carterton received an invitation to Church with a Gospel presentation of the invitation card. We will be starting in the town of Greytown next.

Dawn continues to hold her ladies' meetings every week. She has enjoyed the time with the ladies from Church, and of course the snacks. We are like any good Baptist Church, we use any gathering for an excuse to have some kind of tasty treat, and I benefit from their leftovers. One of our ladies has been going through some hard times in life, but as she has been learning to turn things over to God you can see the peace in her life that God has given her. She has grown through her trials and asks questions every time she comes to our home. It has been encouraging to see God working in her life. Please pray for wisdom and continued growth in Christal's life.

For the past 4 weeks there has been a homeless man that comes in the Church building to make a coffee and grab some cookies. Some may get bothered by him "helping himself", but I believe it is just another way God teaches us to have compassion on others. Please pray for Jeremy to be saved.

Serving Him,
Jerry and Dawn Judd
