

THE NIBBE FAMILY

Missionaries to Timișoara, Romania

Jul-Aug 2024

Dear praying friends,

We finished up our furlough the second week of July and returned to Romania on the 10th. We had a smooth trip without issue and are very thankful for that. As soon as we got back, it was time to get readjusted to the time zone, and then start preparations for men and boys camp the first week of August. We had over twenty attend the camp, which was held in a beautiful location in Cozla, Romania – by the Danube River, right across from Serbia.

We had a few other summer camps that our young people were involved in. One of our Ukrainian young ladies got saved at camp, and several made good decisions about their walk with the Lord. I am also thankful that several of our church people were involved with helping at camps hosted by other churches around the country. It is a joy to see them getting involved in serving the Lord.

At the end of August, it was time to begin preparations for the Fall Semester of TBCI. We have several new students this year – from Greece, Transnistria, Ireland, Spain, and Romania. We truly are an international school, and I am grateful to have the opportunity to teach these young people. This semester I will be teaching Old Testament Survey and Bible Doctrines 1. We had a great start to the semester. The students are excited to be here and to learn. We are praying for one student who has had some health needs and has not been able to come yet. We are praying for his

health, and that he will be able to join us next semester on campus. For now, he has been attending classes online.

As we have mentioned before, we are planning on planting a church here in Timișoara. Bro. Tyler and I have been talking and praying about several aspects of the upcoming church plant. Our church will actively be involved in this new work. We are praying about which individuals and families should be involved. We have also been able to narrow down a timeline. We believe that next spring will be the best time for us to begin this new work. Our plan is to go to the northwest side of the city, find a place to use on Sundays, and begin with a Bible study on Sunday mornings or afternoons. We are even considering days other than Sunday to begin with. Please pray for us as we begin the planning process and figuring out more details. This is a big step for our church and for us. We are excited, but also know that we need the Lord's strength and wisdom. Please pray that God would prepare hearts, prepare the place, and fill us with His power.

Family News

Zion turned three on July 12th. He has grown so much over the last year, and we have enjoyed seeing his personality develop. He loves excavators and airplanes, and he loves to help Mama in the kitchen. Eliorah is also doing well. She is a sweet big sister and is especially excited to have another sibling on the way. Our family is growing! We are expecting a baby boy – due the first week of February. Please pray for Arezoo and for our baby. They are both doing very well, and we are so thankful.

In Christ,

Brian, Arezoo, Eliorah, Zion & Baby #3 on the way

Heading home from furlough!

The group from Men and Boys Campout

The first day of the 2024 Fall Semester at TBCI

The first church service with our college students back. We are running about 90 on Sunday mornings.

We are so excited for another baby on the way!
