

# THE BOHMAN FAMILY

## AFRICA FIELD DIRECTOR

November 2024

Dear Praying Friends,

What a blessing this year has been so far! We have seen God working not only in Africa and in the lives of our fellow missionaries, but also in our family. Each year I like to give a brief update on our family as we are so thankful for your prayers. We were blessed to spend a few days with our daughter Heidi and son-in-law Noah in Hawaii where they serve at a church and Christian school. Only God could have orchestrated our schedules so that we could all be there at the same time, since we live in such a

variety of places. Our daughter Erica is in Kenya; our daughter Deborah and her husband David are in Indiana; our youngest daughter Julia is in her senior year of Bible college in California.

Although we are not often together, we are grateful for the many ways we can keep in touch and thankful that we can each be doing our part for God's work in our "corner of the world."

God is also continuing to call laborers into His harvest! Last week, at the conclusion of a Missions Emphasis Sunday, we were encouraged to see a teenager surrender to be a missionary to Africa!

In our former ministries in Kenya, the village church of Ndanguletti celebrated the completion of their building with a special Sunday and had 54 decisions for Christ and 19 baptisms!

All this is "fruit to your account" and the result of your faithful prayers and support!

Until all nations hear,

*Eric Bohman*
