SEPTEMBER - OCTOBER 2024

"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; **to the Jew first**, and also to the Greek."—Romans 1:16

"Brethren, my heart's desire and prayer to God for Israel is, that they might be saved."—Romans 10:1

SERVING

Since January 2024, we have mailed Isaiah 53 booklets and our tracts to 231 villages, towns and cities in New York State. There are 81 towns and cities left to complete, with the largest being New York City. This will take some time as there are 960,000 Jews in New York City.

We are praying that the Holy Spirit will remove the vail from their hearts.

Second Corinthians 3:16 reads, "**Nevertheless when it shall turn to the Lord, the vail shall be taken away.**"

These past two months we have searched the internet for Jewish names in Ontario and mailed out hundreds of letters and tracts to Jewish people there.

SURPRISING

Recently we received a letter from Rabbi Yosef. It reads as follows:

"We, at the synagogue, would like to join you in hope and prayer that you will have good health and prosperity."—Rabbi Yosef and friends.

What a surprise considering he received our literature and Isaiah 53 booklet and tracts.

As far as I know, this is not a messianic synagogue.

SUFFERING

I had mentioned in our previous letter of a health problem. Now I have a bigger health problem. Last week we made a second trip to the ER at Boundary Trails Hospital and after a series of tests and a CT scan, I was diagnosed with ulcerative colitis. This is very painful and I was unable to sleep. I was given prescriptions and so far they haven't kicked in.

SUPPLICATION

The other night I was in so much pain I called my pastor to pray. Along with my wife, we begged the Lord to heal me or give me more grace. I fell asleep after a couple of hours.

Please pray for this health concern. It is greatly appreciated.

Thank you for your prayers and financial support. May the Lord richly bless you in return.

Brother Bill and Illona Cicansky
