

OCTOBER 2024

JAM-PACKED FUN IN SCHOOL

Kids Field Trip:

Our little ones had fun visiting a Bread Factory near our Home. They were able to witness how their bread is being made. They also had a free taste of the best bread in town.

Filipino Language Month Celebration:

The children were excited to wear their native attire as they celebrated our annual Language Celebration. Emman and Julliene received their award as the Best Native Attire for this year!

Teacher's Day Celebration:

We are grateful our teachers for sacrificing for our children thus we give them tribute every year. Most of them were our own children who grew up in the Home. We are happy because they're also passionate for these children and giving their time for them instead of teaching outside the Home.

WALKING WITH CRUTCHES

Rex, 17 years old, accidentally had his toe bone totally broken when he was playing. He was rushed to the hospital right after and taken care of. He had surgery on his toe to place the metal in his bone. Right now, he is with foot cast and walking with crutches. He is recovering and will take several week to heal. He is back to school and enthusiastic again even with crutches. Thank God for His protection.

BIBLE SCHOOL

Our free Bible school has started again this year with 19 students, most of them are from our orphanage. They chose to study in our Bible school instead of secular courses. Our dedicated teachers are our own missionary pastors. We hope to expand our Bible school to train more servants for the Master's use. They're utilizing our 4th floor facilities as their classroom and chapel hall. We pray for the graduating Senior High School students to enroll our Bible school next year. It's so exciting to have a school from Kindergarten to Bible College for these children.

LAST QUARTER OF THE YEAR

2024 is coming to an end soon. Year after year the Lord has been great to us all. Trials have come and go, still the Lord has been ever faithful. We may be far from you, but our hearts and prayers are joint together. We are grateful for your love and prayers for these children. Let us keep the fire, let us continue in faith.
