

FROM THE DESK OF

THE BELIVEAU FAMILY

March 18, 2025

Dear Friends,

The past three months have been busy. Perhaps that's why it feels as though we blinked and they disappeared.

This winter we enjoyed our annual winter revival services, couple's brunch, men's breakfasts, ladies Bible studies, and I (Shawn) volunteered for a community event as a way to connect with people.

Now we're preparing for the Easter season and are praying we can reach new people for Christ. Instead of doing a mailing and canvassing, we are attempting to invite our neighbours to church - to literally go across the street and begin getting to know our neighbours and showing the love of Christ to them. So, our reach will be smaller in scope but more personal and relational. Would you join us in praying that the Lord will open the hearts of our neighbours and enable us to begin reaching those closest to us for Christ?

We would also be very grateful for your prayers in other matters. We are in need of more labourers, specifically a Sunday school teacher. We still have several people who attend church who have not been saved and others need to take the next step in their walk with God. And we are hosting a ladies retreat in a few weeks.

As we press on for the Lord, we do so encouraged and grateful. We're encouraged by the promise of God that His Word will accomplish His work (Isaiah 55). We are thankful for what God is doing and remain grateful for your continued partnership with us in this work.

Encouraged & Grateful,

Shawn & Leslie Beliveau

Phil. 1:3
