

## Baptisms and Legacies...

We thank the Lord for 3 people that were recently baptized (Pictured below). One of them is named Rayen. She received Christ during the inauguration back in April of 2024 and has been faithfully attending. Before the baptism, she shared her testimony and said that she knew something was missing in her life and when she Heard about Jesus, she finally knew what she had been missing. It is such a joy to see lived changed by the Gospel. Please pray for her as well as for Karina and German (German was saved just a few weeks before the baptism), that God would continue to work in their lives.

Being a missionary for many years, we have always known that many of our family members would pass into eternity while we are on a field. This was the case on January 1st, 2025 as my mother, Adeline, closed her eyes in this world and opened them in the arms of Jesus. She was suffering greatly from congestive heart and lung failure along with dementia. While she is no longer on the earthly plane, her legacy lives on. All three of her children are born again believers and are serving in their local churches alongside their families. Many people offered a word of testimony during the funeral as to how she had impacted their lives. I thank the Lord for a mom who made sure that God and church were a priority in our lives. Please pray for our family as we deal with her estate and medical bills.

3 People baptized

Back in Chile, I had to leave some things undone as I had to leave a month early because of my mom's passing but I am thrilled to say that the men in the church have risen to the occasion. They have established a preaching rotation and the discipleship ministry continues to go forward. Several new people have just started discipleship and more people are getting involved in different ministries. Pray that all the people would grow and be faithful and pray that God would raise up a national pastor from among the congregation.

On the furlough front, we have been in churches in several states already. Our calendar is almost full but there are a few openings still if you would like for us to come by and share what God has been doing in the country of Chile. You can reach me by phone or text at 316.889.4548 or Email: [cboothfamily@htomail.com](mailto:cboothfamily@htomail.com). Pray that God would keep us safe on the road and provide for our needs.
