

BEVERLY DIMAL

MISSIONARY TO BACOR, CAVITE, PHILIPPINES

I want to begin by praising the Lord the first quarter that He has allowed me to serve here in the Philippines as a "missionary". It has been an eventful and busy 3 months since I got back in the field. What a mighty God I serve!

Thank you for your prayers for me, especially on my moving to the Philippines permanently. I got my Filipino citizenship back in January which now allows me to stay here without limit.

My year started with Greater Bacoar Baptist Church's 2nd year anniversary. I was amazed by the growth of the church since the last time I left (back in October 2023). It was my first time to see the new church building fully furnished and fully functional.

Kids' Bible Outreach

Every first and third week of the month, we hold our kids' Bible outreach. We have about 20-30 kids come in from Nazareth Compound and many of the kids faithfully come. I get excited every time we visit with them in their village and to see their smiling faces. I would like to give God all the glory- last month, many of them finally trusted the Lord as their personal Saviour. The changes are slow but it is my prayer that these kids grow up to love the Lord and eventually transition to coming to church on the Lord's day.

Junior Church

Our Juniors have started reading their Bible on a daily basis. We try to take a chapter of Psalm a day. Most of our juniors have professed salvation already, so I would ask for prayer regarding their spiritual growth. Many of them live in a home where their parents are not Christians yet, and they struggle to have that daily Christian influence. Please pray for changes in their lives. There have been many visitors recently, and one of the souls that I got to lead to the Lord was a girl named Bella. She and her mom have been coming to church regularly. The juniors also have opportunities to sing at the main service which are great opportunities for them to invite their parents to church.

Teaching our teens music reading

Most of the ministries here in GBBC involve our teens. They are alive and enthusiastic group that want to serve the Lord. I'm truly grateful for their willing hearts; they are my team in any ministry here. They faithfully minister in media, soul winning, kids' outreach, music, choir, Sunday School, and now, in orchestra. They started learning violin and recorder back in March and are diligent in playing the congregational songs every Sunday.

Prayer Requests

Please pray for me as I try to get my driver's license here in the Philippines. The ministries here require drivers and it would be a great help if I can contribute in this area. I would also ask for prayer for the kids and youth ministries that we disciple and train them in the Lord. There are young people who are new in the faith: Joyie, Alexa, Bella, Julia, Devin, Sean, Macken, and Jansen. Please pray as we will be holding discipleship for teens and young adults soon. Also, there are juniors who are yet to get saved: Reign, Kheiron, Negie, Nishi. Please pray for clarity of the Gospel to be shared to them. Please pray for these names specifically.

I thank the Lord for your financial and spiritual support. I give God all the glory for allowing me to serve as your missionary here in the mission field of the Philippines.

Servant of the Lord Jesus,
Beverly Dimal
