

Gage & Aleah GILBERT MISSIONARIES TO Greenland

March 2025

Dear Praying Friends,

It has been a milder winter this year in comparison to last year. While the slightly warmer weather has meant more snowfall throughout the season, it has also allowed for more melting of snow. This winter has also been very windy. According to the Weather Channel, we had a couple storms when wind gusts reached up to 70 mph!

CHRISTMAS OFFERINGS

We have been blown away by the generosity of God's people and we want to say thank you to each church and each individual who participated in a missionary Christmas offering. We cannot express how grateful we are for your love and care for us.

(enjoying the return of the sun in January)

HYMNAL PROJECT

We are just a few songs away from reaching our goal of 100 hymns for the hymnal! Lord willing, by our next prayer letter, we will have a completed and printed hymnal. Outside of writing up the last few songs, there are several other things to accomplish; namely, formatting,

cover design, and copyright acquisition. We are so excited to finish this hymnal so we can soon use it in the ministry here.

IN THE NEWS

Greenland has been in the news quite a lot the past few months. All the attention from the US has caused quite a stir, with many different opinions on what the way forward should be. We recognize that no matter what decision is made by the Greenlanders, their greatest need and only eternal hope is found in Jesus Christ! Our goal is not to try and persuade them politically but to share with them the Gospel message. Greenland's biggest problems are spiritual problems that need a spiritual solution. Only Christ can bring true hope and peace to the hearts of these precious people!

THE SHULL FAMILY

Thank you for praying for the Shull family as Carole Shull has been battling cancer. We are praising the Lord for continued answers to prayer! As of the end of 2024, the test results showed that there is currently no cancer! Please continue to pray that the cancer will never return! We have been so thankful to have the Shulls back here in the ministry and to be able to work together with them again these past few months.

OUTREACH

It is exciting in ministry when we see visitors come, make new contacts, and build relationships. In February, it was such a blessing to have around 20 people come for a church ice cream fellowship. While many might be hesitant to come out right away to a church service, they are often willing to come to a fellowship or activity time during the week. One of the families who came has also started attending Sunday services.

We are also praising the Lord for opportunities to reach out to the Filipinos that live here. We have recently met several ladies who have seemed interested in coming out to church. One of the ladies told us that before moving to Greenland, she roomed with Baptists and would often visit church with them or attend Bible studies. She also said she did not have a Bible with her and asked us if we had one she could have. It was a joy to be able to present that to her this past week! Please pray with us as Aleah looks for ways to continue to build relationships with these ladies.

UPCOMING EVENTS

It is hard to believe that Easter is fast approaching! We are looking forward to having a special service that Sunday with a small music program and a dinner afterwards. Please pray as we work on preparations for this that we would see people come and fruit from this effort!

In Christ,
Gage & Aleah Gilbert
