Dear Friends,

Thank you for praying for our family and for the ministries here in Uganda and in East Africa. Our daughter and son-in-law, Tim and Jennifer Bundy, were able to visit with us recently. Please be praying for them as they are serving our Lord in Ethiopia and learning the language. Especially be praying as they are now expecting their first child (a boy) in July / our first grandchild. We are excited for them, and also wondering how time has passed by so fast. Hard to believe we are already grandparents, but also joyful as well. We now have 583 children in our Christian School and about 50 students in Bible College. Please be praying for us as we seem to be always in a building program. It is a good thing but also challenging as we are always having to add on new classrooms.

We recently attended a marriage seminar with some of the pastors that we have trained in Bible College. It was an encouragement to them.

The Lord has been blessing and we have seen people saved every week and also following the Lord in baptism. This has been a blessing, and we are also discipling some and there are some new people in the Bible college as well. We are also excited as we have some of our graduates preparing to start some new churches.
