TO SEEK & SAVE COLOMBIA

March - April 2025 Prayer Letter

Santa Marta Church Started

A lot has happened since our last prayer letter in regards to the new ministry in Santa Marta. God answered prayer in providing a nice building to rent for the new church plant and the Duarte family to live in. Prayer was also answered as we were able to secure a vehicle for the new ministry. In March, the Duartes moved to Santa Marta and started the new church. At the time of writing this letter, they have had services for two weeks and have had visitors for both Sundays. I was blessed to travel to Santa Marta and preach their second service, help them get the auditorium organized, and help with evangelism. We are planning a big evangelistic crusade for the third week of April. Please pray for this week long event where we will have a big service each night of the week with an emphasis on the message of the gospel. We will have a number of guest pastors coming, will be passing out 36,000 invitations, and putting up posters and advertisements all over the city. We have the auditorium ready with seating for 100 and are hoping to have many visitors and souls saved. Please pray with us that God will do great things.

Busy as always

As always we have been keeping a full schedule on our ministry calendar. We have been blessed to see a number of souls saved recently, people being baptized, finishing our discipleship course, and people joining the church. We recently had a men's campout and enjoyed a great time of fellowship and encouragement with them. In March I had the privilege of preaching at another church in our area for their salvation Sunday. By God's grace, we saw six people trust Christ as their Savior after the message. Our church is growing and it is not uncommon to have over 100 on Sunday mornings. We are raising money to do an auditorium expansion so please keep us in mind if your church is looking for special missions projects. Thank you again for your prayers and support.
