Reaching the Generation to Come

“...unto this generation, and...every one that is to come.” Psalm 71:18

June 2025

“And let us consider one another to provoke unto love and to good works.”

Hebrews 10:24

It is a blessing to be back in Honduras since the end of April. It is a joy to serve the Lord by reaching the generation to come by instructing different ones *“unto love and to good works”*.

Weekly Classes

- Children's Bible Club—Praise the Lord for the faithfulness of some of the children to the class online on Wednesdays and the class at church on Saturdays. Please **pray** for spiritual growth in those who are saved, for the salvation of others, and that more new children can be reached with the Gospel.
- Ladies' S.S. class—**Pray** that the ladies will understand the truths of God's Word as we study the book of Romans in class and at home completing the homework paper and memorizing a weekly verse.

Training a Young Lady

Maria, a young lady from another church's Bible college, is living with me till the end of July to practice what she has been learning by being involved in our ministry. She will be teaching different children's classes from time to time in our church, going out to evangelize and pass out tracts, and be involved in other ministries coming up. She is also practicing the piano at my house to learn to play more hymns with my help. **Pray** that our time together will be very beneficial in both of our lives as we serve the Lord together.

Ladies' Conference

The Lord has given me an opportunity to teach about the grace of God in a ladies' conference in another church in northern Honduras July 18-19. Maria will go with me on a 7-hour long-distance bus trip for that weekend. **Pray** for wisdom and time to prepare three lessons and that God would prepare the hearts of the ladies and use His Word for His glory.

Other Special Opportunities

- Evangelism in school—We are planning on teaching an evangelistic lesson in each classroom of the elementary school close to the church. The children will receive a tract and an invitation to the Children's Bible Club at our church. **Pray** that we will see fruit from this special day.
- Teen Ministry—We are having a monthly meeting again. **Pray** that the unsaved young people will be saved and that others will have a desire to live for the Lord. I plan to have the teenage girls come to my house for some activities. **Pray** for wisdom in encouraging them in their spiritual walk.
- Piano lessons—**Pray** that Elias, a 9-year-old boy, and his mother Heidi, will make progress in learning how to play the piano as I teach them. They are excited about learning how to play hymns.
- Visit to Amada de Jesus (Loved by Jesus)—**Pray** that God will continue to strengthen her and her family as she awaits God's timing to go to heaven. I try to visit her about every other week.

Thank you for your faithful prayers which are used by God to lead others *“unto love and good works”*.
