Dear Prayer Partners

We are rejoicing in two more precious souls that have accepted Christ as their Savior since our last prayer letter. The first is Luz, a woman from the Dominican Republic who moved to Argentina many years ago and is married to an Argentine. She and her husband run a rotisserie about four blocks from our house where we frequently purchase chicken and french fries (A family favorite). The second is Brenda, a realtor who is helping us to look for another house. Please pray for Brenda as she is dealing with some very serious health issues. Please also pray for their husbands to get saved and come to church. Continue to pray for Felipe, his mother Adriana, and grandmother, Norma. Felipe is Caleb and Joel's friend and has been mentioned in our prayer letters several times. He and his mother lost nearly everything in the flood we talked about in our last letter and are living with the grandmother, Norma. They frequently attend our church but need to be saved. They really enjoy attending, but their Catholic background makes it difficult for them to see their need for salvation by grace through faith.

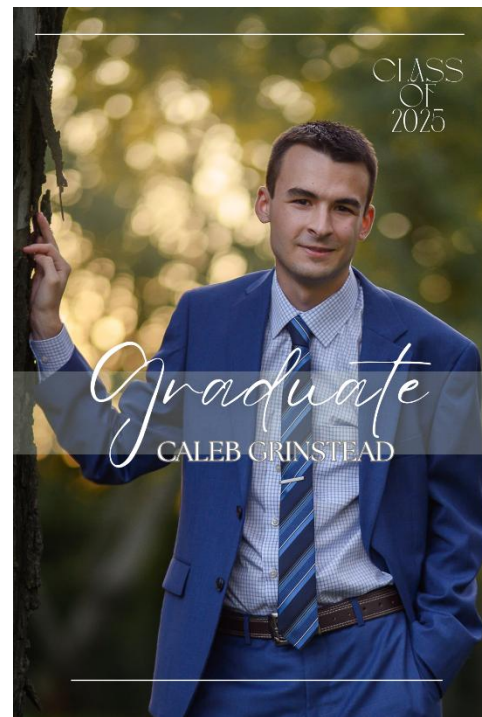

In August, we will be back in the States for a couple of months to take Caleb, our oldest, to Crown Bible College. Please be in prayer for him as he makes this big step in life, and for us as we will be coming back to Argentina without him. We will be available for a few meetings during September and October but will not be able to travel long distances due to logistics.

Please pray for an Argentine brother, David Tapia who will be filling the pulpit for me in our absence. You can see him in the bottom picture with us getting ready to go out on visitation. He is in the middle back. Brother Tapia is very faithful in our churches. He has taught for us many times, plays the guitar, and sings. He is a great help and blessing. Please continue to pray for the new church work, for more souls to be saved, and that things will go smoothly in our absence.

Pray for our housing situation as we hope to move before furlough.
