"The LORD is my shepherd..." Psalm 23:1a

Dear friends and fellow laborers,

I'm so thankful for a God who shepherds us. In the last two months, there have been many ways He has cared for Kate and me, especially in the realms of school ministry and family. The Lord has given us great blessings and opportunities, as well as important times for quiet rest and comfort.

In our last update, we shared about a large mailing we sent specifically to churches in Virginia. I'm glad to report that numerous meetings have come from these contacts. We were also able to attend a conference in the DC area, and the church ministered to us when we really needed it. During the conference we also celebrated our 3rd wedding anniversary, and the church treated us with tickets to the Museum of the Bible.

During a missions conference in Tennessee, the pastor asked Kate and me to join in on Saturday outreach, and since it was raining, we all went to a local apartment complex. I had the privilege of sharing the gospel with two people. One of them, a man named C., came to services the next day, and I got to give him a clear presentation of the gospel once more. He has a Church of Christ background, and he said he will come to services again; please pray that he would see his need for salvation and accept Christ.

In the last couple weeks, we finished the school year with Great Hope Baptist School and drove to our second and final year of Candidate School at BIM! When we leave the campus, we will be headed to northern Virginia, Georgia, and then Pennsylvania... all in a week's time! Please continue to pray for safe travels and more meetings throughout the summer season. Please also pray for Kate and her family, as they are in a difficult season.

We have recently passed the 30% mark in our support, (praise the Lord!) and we look forward to sharing what God does in the next few months!

For the harvest,
Manny and Kate Jimenez
