

## Jake and Sharon Wiebe Missionaries to Bolivia

Greetings from Bolivia.

Just wanted to give you a quick update from Santa Cruz. We're in the middle of our second trimester at Baptist International Seminary, and it's been an amazing year! We're so grateful for our great group of 32 students and the awesome spirit that fills the student body.

We've submitted our plans to build a new building to the city for approval and building permits. We're excited about this project and covet your prayers and support.

We're also still helping Emanuel Baptist Church. They're still without a pastor asking the Lord to provide one. In January, we had two baptisms, and in April another two. It's a wonderful time to serve the Lord with.

On a different note, we're working on developing a doctrinal educational plan for the prisoners at the jail here in Santa Cruz. We'll be teaching about 30 inmates, with 36 doctrinal lessons and 10 Bible classes. The start date is set for June 30th, and we covet your prayers for wisdom and for the pastors who'll help us with the teaching.

Bolivia is going through a tough time right now with political unrest, blockades, and protests. There are fuel shortages and even food shortages in some cases because of the fuel and unrest problems. Prices are increasing every day because the Bolivian money is losing a lot of value against the US dollar. The presidential election is coming up in August, and we covet your prayers for the country.

We also want to say THANK YOU to so many who sent us Christmas cards and financial gifts for Christmas.

### ***Prayer and Praise:***

Praise the Lord for new members at Emanuel Baptist Church.

Praise the Lord for a new year of seminary ministry.

Pray for wisdom as we plan on building a new seminary.

Pray for the discipleship of all the new converts in the jail.

Pray for all the finances to come in for the seminary build.

### **Thank You**

*Thank you so much for your faithful  
financial and prayer support to our  
ministry for all these years.*
