THE BORRMANN FAMILY

Preaching the gospel in Windsor - Essex, ON

STRIVING TOGETHER

We hope this prayer update finds you well and that you are enjoying the summer! Thank you for your continued prayers for us. We believe that God is working through your prayers on our behalf. Our family is doing well, and we are enjoying our newest little addition to the family, Adele. She was dedicated to the Lord during the Mother's Day service this past May. We thank God we have His guidance to raise our children for His glory.

The spring & summer have been busy as usual. A new couple began attending our church earlier this year. After visiting with them, the wife shared that she had been saved but had never been Scripturally baptized. We had the joy of seeing her baptized, and then the couple joining our church family. Thank you for your continued prayers for Daniel. He completed his discipleship this past month. We are thrilled to see God using us to help people take steps of faith and follow Him. During our Vacation Bible School this month, we welcomed new families, and some have continued visiting services. One father with two children has begun reading the Bible and exploring the importance of receiving Christ. We praise God for these opportunities to share the gospel.

It's encouraging to see a dedicated group in our church eager to reach others through our "Hope for Windsor" campaign. Even when we don't see immediate results from canvassing and visiting door-to-door, God seems to bless our efforts by bringing people to church we didn't directly invite.

Please continue to pray for Jason to have wisdom in pastoring the church and for the new families as we get to know and minister to them. We currently have 12 students signed up for a Bible institute starting this August. Your prayers are greatly appreciated!
