June, 2025

I have 3 different announcements to give you, so please take time to read and make one change that you see below. Thanks!!

1. My recent trip to Costa Rica was a great blessing as my last visit was in November of 2021. God allowed me to preach in 4 churches a total of 13 times. Individuals and families were touched by the teaching and preaching from the book of 1st John.

I will be returning to Costa Rica in October to celebrate the 59th year of the church.

2. On May 7th I returned to the USA, with a stop in Orlando. Just before I boarded my flight to Atlanta, I received an email from Costa Rica, informing me that Pastor Jorge Araya had passed away in the church before the Wednesday night prayer service began. He had pastored the church for 35 years and

had been used of God in a great way. Please pray for his wife and extended family to have

the consolation only God can give.

3. We are moving from Alabama back to Georgia by the end of June. Our home church has made available the church parsonage that was not being used at this time. This is a real blessing to us in many ways.
