

## ARCHIE & RUTH PEREZ MISSIONARIES TO URUGUAY

June 2025

Dear friends,

Lord willing. we will be leaving for Uruguay on July 14!

We are very excited and thankful to the Lord for the marvelous way He has taken care of us, protecting and providing! It has been a delight to visit many of you, and I regret not being able to visit all of you. We have shortened our furlough due to Ruth's medical problem; she needs to have knee surgery as soon as we get to the field.

As we go through sorting, packing, planning, and reflecting on God's goodness, we want to say thank you to all of you, dear pastors and friends, for the sweet way you have received us and for the encouragement you have been to us. May God bless you!

## Some praises to share:

The building of the church in Nueva Helvecia has taken off! Here are some pictures of the foundation already in place. Thank you for your giving and praying for this project. The Lord has provided all the needed funds to see this project finished. Praise Him for His marvelous provision!

The new church in Rivera is welcoming visitors, and some have begun to attend faithfully.

Our children who are raising support to serve as missionaries in Uruguay have full schedules and have seen some increase in their support level. Pray for them that God will give them strength, safety, and speed up their way to Uruguay.

## **Prayer requests:**

David and Andrea Gonzalez (our daughter) are in need of more support. They lost a couple of churches that were having financial problems, and that has brought their level of support to 80%. Please, pray for God to provide for this big need of support.

Uruguay has experienced a major setback with the formation of a new ultra-socialist and liberal government. Pray that we will have more opportunities to reach out to the people with the Gospel. Believers and some non-believers are disappointed and concerned over this leftist ideology.

Pray for all the national pastors. For them to remain faithful and true to the Word of God always, committed to the sound doctrine and love for the lost.

The Youth Winter Retreat is coming up in the first week of July; pray that God will work in those young hearts.

Please, pray for our trip as we travel back to Uruguay. We are so thankful Ruth has made it to this point, even with some degree of pain, but we know your prayers sustained us. Thank you!

God bless you, dear friends! May He prosper your lives and ministries!

Yours for Uruguay,

Archie and Ruth Perez
