

The REIMER Family

Dear partners,

July 10, 2025

Thank you so much for praying for us. Every day comes with new opportunities along with new obstacles and opposition, and knowing that you are holding the ropes for us makes all of the difference!

- **Ministry Recap**

In the past two months, our college semester ended and several students enrolled in summer courses; the Dennis Town ministry continues to meet in a school building, and steps are being taken towards becoming indigenous; things are becoming somewhat clearer with the Deaf Ministry, as we see who is faithful and dedicated from both the Deaf as well as the interpreters; and church attendance has been surprisingly good considering it is rainy season now. **We praise the Lord** for His continued work in Liberia!

- **Evangelism**

I have been taking my time every Saturday to teach on the need for evangelism, how to evangelize, and the method we will be using to make sure that every home in our community is reached with the Gospel. Each step of the way introduces new concepts, so we have to go slowly, but it is exciting to see when the lights come on! Rainy season will make it challenging, but **please pray with us** that we will be able to start reaching our area in a very tangible, measurable, and effective way.

- **Family**

With a slightly slower ministry schedule, we have been able to catch up on some family time and other things that have fallen behind. First of all, we are in a busy birthday season, with Emmalyn, Benjamin, and Jackie all celebrating birthdays in the last two months, and Levi, Alexis, and Bethany having birthdays just around the corner. We had some yard work that was in great need of being completed, and we were able to get a good start on that. Our oldest four children also...

... completed their swimming lessons, and they truly amazed us with how well they did!

- **A New Experience**

On July 16th, missionaries Kyle and Elisabeth Burchwell will be arriving in Liberia. They will initially be living near us and we will try to help them as they learn Liberian culture, language, ministry, and everything else that is needed when one moves to the mission field. **Please pray for them** as they do final packing, fly over here, and start the adjustment process. And **please pray for us**, that we would truly be able to be a help and a blessing to them.

- **Important Prayer Request!!!**

Our family of 4 raised support and moved to Liberia in 2016. Although our family has more than doubled in size, we have not had to raise any additional support, largely due to the substantial Canada Child Tax Benefit we receive. When we applied to add Ethan to this benefit, the CRA started asking a lot of questions, and we had to fill out over 100 pages of forms to substantiate our Canadian residency claim. So far we have not heard back, so **we ask you to pray** that it will be determined that we are genuine Canadian residents, so that we do not lose this income source.

Keep praying...

- For our Child Tax Benefit situation
- For wisdom for many ministry decisions upcoming
- For the Burchwells and more labourers for Liberia
- For the continued growth and development of Temple Baptist Church members and ministries
- For strength and protection for our family

Yours for souls in Liberia,
The Reimer Family
