Praise the Lord for an encouraging time visiting family and supporting churches in the States

Praise the Lord for teammates and fellow laborers in the church that filled in for us as we traveled.

Pray for affordable land in our current area to purchase in the future. We are specifically looking for 4-6 rai.

Pray for locations for new ministry centers in town.

**Summer Travel**

Immediately after receiving our visa renewal in the end of May, we traveled back to the States for a furlough for the months of June and July. During that time, we were able to visit some supporting churches, connect with new churches, and visit family and friends along the way. Because of some visa regulations, we had to cut our trip a bit shorter than anticipated, to return to Thailand by the end of July.

In many ways, this trip highlighted many blessings in our lives, as we visited churches and family.

We were blessed to hear from afar of many church members stepping in to serve in new ways, with new Sunday school teachers stepping for the kids and adults, as people serving in the hospitality and meal preparation, and van ministry. We're so thankful for those who have stepped in to help during our absences, while continuing to serve faithfully in their own responsibilities.

Before we left, the mother of one of the kids in our kids ministry began to come to church. She told us she had wanted to attend for years, but her boss would not allow her. After getting a new job, she began to faithfully come to church. She was saved over the summer and plans to be baptized. Her daughter, Moeyli, also got saved and will be baptized at the same time.

While we were gone, a young father named Dton began to attend and ask questions about being a Christian. After a summer of questions and faithful witnessing by our teammates and church members, Dton accepted Christ.

Thank you for your faithful prayers and support, the Reed family.
