RICHARD AND THELMA BITUN
MISSIONARIES TO THE PHILIPPINES
MARVELOUS GRACE BAPTIST CHURCH

Dear faithful supporters & partners

Greetings in the name of our Savior & King, the Lord Jesus who is coming again!

We are so grateful for your prayers and support. God has blessed our Camp ministry. He has provided for the repairs & renovation of our auditorium which was destroyed by typhoons. Because of the confusion in the schedule of our higher education calendar, the college students were not able to attend the camp. But we have close to 600 delegates. We praise God for good weather since delegates stayed in tents. There were a good number of decisions to surrender to fulltime service, some of them are now enrolled in the Bible College. There were six who graduated last May. We also had a separate graduation for our Bible Institute in our district. There were four men from our churches who made it.

We started the Student Center last July—praise God for co-workers who helped and for His provision. Please pray for more laborers and for continued financial provision. Thank you again for your faithful support and prayers. May God richly bless you.

Yours in the mission field,

Richard and Thelma Bitun
