CONTINUANCE

Please pray for these Jews.

CONCERN

"That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ."—1 Peter 1:7.

After my artery stent insertion operation a few weeks ago, I began to have difficulty breathing. I scheduled an appointment with my family doctor and she decided a pacemaker was necessary to regulate my blood flow and heart rate. I developed swollen ankles and at 3:30 a.m. my wife drove me back to the hospital.

I am still waiting for the surgery to happen, which will require a trip to St. Boniface Hospital in Winnipeg. I have no energy, and breathing is laboured. The ankles are still swollen, which the pacemaker supposedly will help.

Until then, the doctor has placed me on 8 different medications. These have resulted in a reaction of dark red spots all over my torso area and inside my mouth. Thank you so much for your prayers and financial support. Keep looking up—Jesus is coming soon!
