

Gage & Aleah GILBERT MISSIONARIES TO Greenland

September 2025

Dear Praying Friends,

How quickly time marches on! We are still awaiting our first snow of the season, but “fall” is in the air as the days are once again growing shorter, and the temperature is slowly but surely dropping.

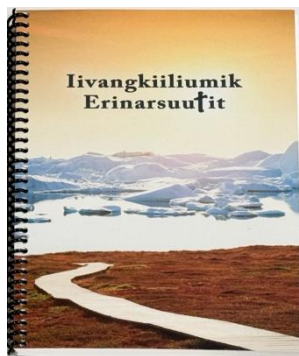

SUMMER HAPPENINGS

In June, one of the Shull’s supporting churches from Nova Scotia, Canada, came here with a small group on a week-long missions trip. We were able to house two from the group at our home and they were all a wonderful encouragement to us and the ministry here. One of the main projects that they helped accomplish was placing some 1500 door hangers on the apartments and homes here in Ilulissat. In just a few short days most of our town received a church invitation along with a QR code where they could watch a presentation of the Gospel. Would you pray with us that we would see some fruit from this outreach?

HYMNAL UPDATE

We are thrilled to share that as of this month our hymnals are finished and in the process of being printed and shipped to us! We want to thank Grace Baptist Church for helping us with the cost for this specific project and for

Allison McKay and Delight Thyself Ministries for handling the printing and shipping of the hymnals.

NEW LIFE IN CHRIST

We were saddened to see the family that had come faithfully to church since February move away to Nuuk in June. However, their oldest son stayed for another month before moving away for school. This young man came to every service and activity available as well as attending a Bible study with Brother Chris. It was such a joy when just a couple weeks before he moved, we learned that he had put his faith in Jesus Christ!

What a privilege to then see him take that next step of obedience and follow the Lord in believers’ baptism! We are so excited to see how the Lord will continue to work in his life. He joins the services online every Sunday and invites his classmates to join as well. Please pray for him that he would

continue to grow in his walk with the Lord while he is away at school.

PRAISE

Thank you to everyone who has been praying for Carole Shull’s tests results. They are praising the Lord that the scans showed no signs of cancer. She has been cancer free for over a year!

VISA RENEWAL

Last month we once again submitted our application to renew our residence permits for another year. It is usually a 3 month wait. Please pray with us that they will be approved on time and with no issues.

LANGUAGE CLASSES

In July and August, Gage completed a second six-week Greenlandic course. While the course is short, it is packed with a lot of information and the classes are recorded so he can rewatch them at any time. Gage is planning to attend the third course which is scheduled to begin in December. As always, we covet your prayers in growing our understanding of Greenlandic.

In Christ,
Gage & Aleah Gilbert
