

THE PATE FAMILY

MISSIONARIES IN MONTREAL, QUÉBEC

JULY-AUGUST, 2025 | PRAYER UPDATE

NEW BABY: Thank you so much to those who were praying specifically for a safe delivery of our baby. We praise the Lord that everything went very smoothly and that Sophie Hope Pate was born early in the morning on August 2, 2025. She weighed 7 pounds, 1 ounce and was 20.5 inches long. Both Sophie and Katie are doing exceptionally well! We were already able to get new family pictures taken with the new baby, so if you would like to receive a digital copy for your church, please let me know. We're currently working on obtaining her Canadian birth certificate and passport as well as her USA birth abroad certificate and passport. Please pray with us that this needed paperwork would be finalized smoothly and quickly.

MINISTRY PRAYER REQUESTS: Thank you to those who prayed for our Vacation Bible School in July. We praise the Lord that the week went very well with around 30 children in attendance each night and 3 souls saved. It was also a blessing to welcome Missionaries Josh and Alyssa Clay here in August; they were a great blessing to our church as they shared their of ministry in the Ivory Coast, taught inn the children's class, and preached from God's Word. They are dear friends and it was a blessing for our family to spend time with them.

I'm currently preaching through a series on the book of Ephesians on Sunday mornings and am grateful for the Lord's work in individual hearts. We're currently in the process of meeting with potential new members and anticipate 9 adults joining the church this fall. It's a blessing to watch the Lord unify, strengthen, and build His church!

Through the ministry of Bearing Precious Seed Canada, every home in Canada is receiving a John & Romans booklet in their mailbox. As individuals in Québec receive their copy in the mail, they often reach out with questions or to seek further information. It's a blessing to receive these emails and phone calls, answer their questions, provide further information, and direct individuals to a church in their area. Please, pray with us for much spiritual fruit from this project.

In addition to regular evangelism, we also have several fall events and conferences scheduled both within the church here in Laval and with nearby churches. These events include teen activities, missions conference, ladies' conference, and young adults conference. Our family will also be traveling to the States briefly to visit five supporting churches. In between events and travels, we look forward to welcoming a few visitors to our mission field. Please, pray with us for a fruitful fall season of ministry.

In Christ,
Josh, Katie, Allison, Madelyn, Bethanie, and Sophie Pate
