Thankful

Dear Ministry Partners:

In the fall of the year, we look back at all the blessings of the Lord over the past few months and years. It is hard to believe that it has been 40 years since we joined BIM! Thank you for helping us stay faithful and useful in the Lord's service. We appreciate so much your faithfulness all these years

The Lord continues to abundantly bless the Butler family through YOU, our supporters. Thank you for your faithful prayers and financial support!

Please keep our BIM missionaries in your prayers during this season. How thankful we are for the dedication of these servants of the Lord as they serve in 100 countries or ministries around the world!

Praise the Lord!

The work on **Steve and Frankie Nutt's house** on the BIMi property is getting closer to completion after they lost everything in May as a result of lightning that started a fire. Volunteers have been working on the house for months. They came from Alabama, Georgia, Michigan, Nebraska, Tennessee, and Texas. What a blessing these folks have been, helping build this new house!
