Dear Prayer Partners,

Thank you for your prayers for us as we traveled back to the States to take Caleb to Crown Bible College. We have safely arrived and were able to get Caleb settled into Crown. He has gotten involved in the spanish ministry and also a Teens for Christ Bible Club in a school with spanish students. Please keep Caleb in your prayers as he is in this new phase of life. We have a pretty full schedule of visiting a few of our supporting churches for the next couple of months until we return to Argentina.

In our last prayer letter we asked for prayer for Felipe and his mother Adriana. We rejoice to report that they came over to our house to say goodbye just a few days before our departure. While there, God led in the conversation and we talked about the new church work, the flood that destroyed their home, and eventually to the subject of salvation. After going through the plan of salvation Adriana gladly made the desicion to pray and accept Jesus as her Savior. Please continue to pray for Felipe and his salvation.

The day before our flight to the States, we had a going away party for Caleb after the evening service. Everyone wanted to attend, even someone with flu symptoms. You probably guessed it, we brought the flu back with us on the plane. Only April and Aubrey got sick, but they were down for over a week.

Please pray for the new church work and for Bro. David Tapia as he leads the services in our absense. Attendance has taken a hit during these cold winter months in Argentina. Brother Tapia also got sick with the flu and had to cancel the first couple of weeks of services after our departure. Please pray that with spring the attendance will recover.

Also, please pray for us as we will fly back to Argentina the first week of December without Caleb. It will be tough for us, but we know that he is having a great time at college. We are praying that God will continue to work in his heart.
