

August/September 2025

The 2025 BIMI Amazon For Christ Trips Are in the history books! Read what God has done!

"Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation".-Romans 15:20

The 2025 season of connect trips was amazingly fruitful, as we lead five teams with the largest number of volunteers to date, into four different South American countries. We were able to minister and bring the gospel to the inner city, as well as, remote jungle areas of the Amazon. The significance of these teams cannot be understated, as we are able to join forces and abilities to intensify the spreading of the gospel to people who otherwise would never hear. The medical teams helped us open doors in areas normally closed to the gospel, drawing the masses to us and giving them an opportunity to hear the message of Christ. The evangelistic teams were able to present the gospel in various ways planting seeds and leading people to Christ, which allows our missionaries to follow up with discipleship. The construction teams used their tools and skills to help build two new church plants, while simultaneously building up the kingdom of God. What an amazing blessing to work together to further the gospel of Christ. **Thank you for faithfully praying and investing!**

BIMI Connect Med-Evangelism in the Amazon 2025

The stats from five teams working in Brazil, Colombia, Peru & Suriname

5 Teams (2 Construction/Evangelism - 3 Medical/Evangelism)

126 team members combined from the five teams

1,941 patients treated through the medical clinics

143 professions of faith in Christ for salvation

18 villages, towns and cities where we ministered

12 national pastors and 8 missionary families helped

2 new church plants where teams helped in building

Volunteers from the USA, Brazil, Canada, Colombia, Peru, Paraguay, Mexico

BIMI
in Brazil for 30 years as
church planters

New Life Baptist Church in Guacuri met in this tent for 4 years on a rented lot.

In January of 2025 we purchased this property.

God provided three separate teams to help with building

Teamwork Makes Dream Work! Construction was completed to move in September.

New Church Plant News!

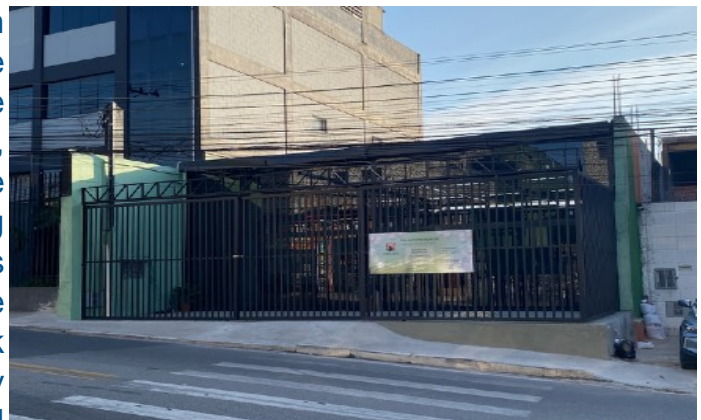

Guacuri Building Inauguration Service. It's been a long journey, but recently we inaugurated the new building for the New Life Baptist Church in Guacuri. After nearly four years of meetings in a tent, we have now moved the church to a permanent location. We rejoice that God is still raising up churches. Jesus said, **"...I will build my church and the gates of hell shall not prevail against it"** (Matthew 6:18)

We rejoice that there were 138 people present for their first service, with 27 of them coming as first time visitors. They will be baptizing their first group of new converts in the the new building in October.

We are excited that the first phase of building this new church is coming to a close. It's hard to believe that we began in January with an empty lot and now in seven short months we are inaugurating the new building. This is a huge game changer for this church plant, in that we will save on rent and be moving into a more visible location on a major avenue.

We have cut costs with volunteer labor, but there are still needs to purchase sound equipment, chairs, and a church sign. Please pray with us concerning these needs and that this church will continue to be a light house in this dark inner city area, wrecked by immorality, drugs, and crime. **Buildings don't change lives, but what happens in them does!**

Thank You! To those who labored with us through praying, giving and coming to build the New Life Baptist Church!
