REPORT FOR AUGUST AND SEPTEMBER 2025

Dear Praying Friends,

We trust this letter finds you doing well and enjoying the blessings of our wonderful God. It is an honor to serve you by serving the Lord in the ministry He has given us in His harvest field.

During the past couple of months, we have been busy traveling to and from missions conferences and missions meetings. We are glad for the fruit that is abounding to your account as we have seen souls saved and Christians surrender during our meetings. Please pray that God will continue to use us as we travel and challenge God's people concerning the missionary laborers who are so desperately needed. We have a few openings in our fall schedule that we would like to see filled. If you would, please pray that God would provide us with meetings that will be eternally profitable.

We held our Annual BIMI Directors' Meeting during the second full week of August. It was good to be together and to hear reports regarding what God is doing around the world through our missionaries. It is always exciting to get a global view of the souls that are being saved and the churches that are being planted.

We are extremely grateful for your faithful prayer and financial support and count it a tremendous privilege to represent you in worldwide missions. Thank you! God is using you in a very special way in our lives and ministry and we are forever thankful. May the LORD richly bless you!

In Christ,

David & Barb
