THE BORRMANN FAMILY

Preaching the gospel in Windsor - Essex, ON

GOD'S BUILDING

Thank you for your continued prayers for us. Our church and family are growing in many areas, making this a busy season, but we praise God for the work He is doing! Lottie and Wilson are doing well in school. Truett is developing in his speech and energy. And Adele is busy crawling and teething. At church, God is blessing both in the development of our church building and church spiritual growth in the lives of the people.

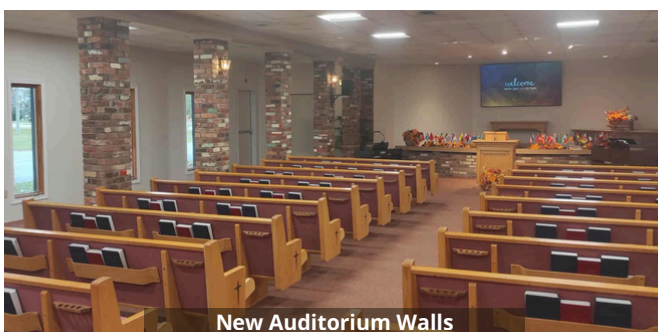

We are grateful for the opportunity our church has had to renovate the auditorium walls over the past number of weeks. Much of our building had not been updated in 25 years or more. While a construction crew renovated the walls to the point of drywall mudding, our men did the demolition and now the finishing work. Our church is enjoying the changes and improvements!

Throughout the fall, we have continued to welcome new families and visitors to our Sunday services. Some have come and gone, while others are still deciding whether to continue with us. We ask for your prayers that the Lord would send those who will help our church grow and keep out those who may bring division. Recently, we had three individuals join the church. One was a teenager affirming his membership as an adult, and the other two are a couple who are engaged to be married.

Please pray for Jason to have wisdom in pastoring the church. If you would, pray for recent visitors, Ryan and Lucas, to come to faith in Christ. As we enter the Christmas season, we also ask for your prayers as we minister to those in need and seek opportunities to share the gospel.

- Jason, Mandi, Lottie, Wilson, Truett & Adele
