Dear Praying Friends,

We are finally feeling some fall temperatures here in Missouri, but the leaves have still not changed into the beautiful colors of fall. Seasons are changing as are so many things in the world today and for sure I feel the Lord's return is close. The Lord continues to bless my life and I love teaching again in my Ladies Sunday School class each week. What a thrill not only to share God's Word but also life's experiences that support what the Lord teaches us. God has also given me the blessing of taking three of my great grandchildren to church. I am praying for their salvation.

I was blessed with a visit from Dr. J.B. Godfrey and his wife Linda for several days. Linda and I are like sisters as we served many years in Senegal together. We were Aunt Donna and Uncle Ron to her children and to our children they were Uncle J.B. and Aunt Linda. It is amazing how the Lord chooses who you serve with on the mission field and how many times you become very close. We have kept in touch over the years no matter where the Lord has led us. God is so good!

October 12, marked the first anniversary of Ron's journey to heaven. I know he is having a wonderful time and I am looking forward to joining him one of these days. What a wonderful hope we have as Christians of enjoying all eternity in heaven with our Lord. Many of our Africa missionaries have kept in touch and checked on me from time to time. My spiritual family is unending and such a blessing to me. I continue to read all their prayers letters and pray for them. When I get the opportunity, I try to be an encouragement to them.

My Son, Kory, has offered to come and get me and my sister for Christmas again this year and take me to Kentucky for about three weeks and Jan's daughters will get her to Tennessee. We just take life a day at a time to see if we are able to do those things. Jan has been under the weather for a few weeks but is doing better so we will see. Having my sister right next door to me is another blessing God has given me. We get together every evening and take turns fixing supper. She loves the Lord as much as I do and because of that we are very close.

God continues to take care of me through each of you as my support in prayer and finances continues to sustain me. Here again, God is so good! I love each of you and pray God's blessing on you as you continue to do His work until His return.

In His loving care,

Donna Bragg
Mrs. Ron Bragg

Notes from Brother Bragg: Here is the secret of Divine all-sufficiency, to come to the end of everything in ourselves and in our circumstances. "My God, I have never thanked Thee for my thorn. I have thanked Thee a thousand times for my roses, but not once for my thorn. Teach me the value of my thorn. Show me that my tears have made my rainbows." (II Cor. 12:10)
