GREETINGS DEAR FRIENDS AND SUPPORTERS:

It is always a privilege to share what God is doing in our lives. I recently spent almost a month in Costa Rica, preaching and encouraging believers in three churches. Many were moved to consecration and service. Without your prayers and giving we would not be able to minister in Mexico and Central America. Thank you for praying and giving so faithfully. We love and pray for you constantly! A ministry I have been doing for the last 5 years is the Spanish Bible study I do each Sunday afternoon on Facebook. I have faithful followers and each week people join from far away places. Eternity will show the results of this weekly ministry.

This letter will update my travel while in Costa Rica. It was a privilege to visit with families as well as preach from the pulpit. Here are a few reminders from another country that God does save people anywhere the Gospel is preached!! I wish you could have been with me!!

Please let me share news about our second daughter, Paige. She recently RETIRED from teaching. She taught 26 years and it seemed like such a short time to us, but her retiring sure makes us feel older!! Congratulations Paige!!

Patty has been recovering from her fall last year, and also finding some relief from her a-fib problem. Her cardiologist is waiting for more information on her condition before doing more advanced treatments. Please keep her in your prayers!!

One note of sadness. In May, just after I returned from Costa Rica, Pastor Jorge Araya passed away. He had faithfully pastored the First Fundamental Baptist Church of Coronado for 35 years. God greatly used him. With his passing, the church voted for his son, Alexander Araya, to be the new pastor. Alex had served as co-pastor for many years and has a great love for the people.

Please enjoy a portion of what God is doing in Costa Rica. And again, thanks for sending us!!!! Your servants, Richard and Patty Comer
