Dear Pastors, Supporters, and Friends,

Fall has arrived, and we will be looking at winter shortly, but we are thankful for the changes in the seasons. It reminds us of the great beauty God created in the world for us to enjoy.

We have been able to get out to a few meetings and present Missions for which we are grateful. We are looking forward to a few more in the fall and also being able to head to Japan this coming March. We have been doing well, but our bodies seem to keep attacking us with new problems. My A-fib is still acting up and they are planning on doing an ablation November 3.

Terri is still struggling with her fibromyalgia and the pains that it creates. It makes it hard for her to travel any distance in a car because of the bouncing around, but she has been a good trooper as we travel.

The churches in Japan are doing well. We ask that you continue to pray for them, and especially for Shinko Baptist Church as they are trying to renew the lease on the property at this time. Pray that God would allow them to extend their lease or buy the property, which would be the best scenario.

Also, the Bible college, KIBBS, is having college days to try to recruit new students. Please pray that God would allow them to see new students coming and studying for the ministry in Japan. Dan Jr's church (Seaside Baptist Church) is doing well, and recently he had several young people accept Christ as Savior, which was a great blessing.

There is still a great need in Japan since it is one of the unreached people groups of the world. Pray that God would speak to their hearts that they would turn to Christ from idols. Please pray as we continue to try to reach out and represent Missions throughout America. We desperately need new missionaries going to Japan and other countries in Asia.

We are so thankful for your faithful support and prayers for us. We pray that the Lord would continue to bless and use you as we partner together to serve him.

If anyone is interested in having us in to represent Missions please contact us.

Sincerely In Christ,

Dan and Terri Gardner
