Missionaries to Perú

To Our Faithful Supporters,

NOVEMBER 2025

1 Thessalonians 5:18 says, “In everything give thanks: for this is the will of God in Christ Jesus concerning you.”

As we prepare to celebrate Thanksgiving, I’m reminded of the many years growing up on a farm. It taught me the value of hard work and the joy of the harvest time. I understand further why Jesus (Matthew 13:3-8) and Paul (Galatians 6:7) used farming terms in relation to the sowing and reaping of God’s Word. As missionaries we seek to work hard in the ministry, keeping in mind the harvest that is received. The joy of seeing souls coming to Jesus and the discipleship of believers in God’s word is a blessing and motivation to keep going and to remain faithful.

We give thanks for your part in our ministry here in the jungle of Perú. We pray for you on a weekly basis and are blessed to be working and rejoicing together in God’s work.

Blessings to share:

1. We now have ten members who have joined together to establish Mount Calvary Baptist Church.
2. We continue to see growth in people hearing God’s word and in those being discipled.
3. One thousand two hundred dollars was received since our last prayer letter for the purchase of land for the church. Please pray that the remaining funds will be provided so that we may move forward with the purchase.
4. My safety during these last two months. I drove many miles alone amidst mudslides, storms and many accidents by others. On another occasion, I was thrown from a four-wheeler when turning sharply, resulting in a bruised elbow, but thankful that it didn’t land on me. My knee is still sore but not restricting. Please continue to pray for safety and healing.

5. Our daughter, Katie had her appendix successfully removed in October and has healed nicely but received a bill of \$8,000 that her insurance didn't completely cover. After much prayer of what to do, she explained to the hospital billing department that she didn't have the money and would have to be put on a payment plan. After further research by the hospital and the filling out of forms, Katie was informed that the hospital has waived the bill and that she doesn't owe anything. This was a game changer for her as she was able to see God work personally.
6. Our son, Matthew and his wife, Paty have received good results from the ultrasounds of their first child, due on December 30th. We hope to share the good news of the birth of our first grandchild in our next prayer letter. Please pray with us that we would be able to go see them. We are specifically praying for the finances to be provided and for all the logistics to be covered.
7. Our daughter, Rebecca was able to get her four wisdom teeth removed successfully and has been relieved of the pain she had before.

Thank you for your prayers and consideration of God's work in Perú. We continue to pray for more laborers and for God to provide land and a building for the church.

Serving a Great God,
