

NAVARRO FAMILY MONTREAL

October 20, 2025

Dear Pastor and Praying Friends,

We praise God for His grace over the past few months through the hardships and the victories of ministry and family. His mercies are new every morning, great is HIS faithfulness. I trust you had a happy and blessed thanksgiving with your families.

O give thanks unto the LORD, for he is good: for his mercy endureth for ever. Psalm 107:1

As summer was coming to a close, we had two church barbecues to encourage the brethren and we had a great time of fellowship even with visitors that came.

Near the end of August, my wife and I took our son David and our daughter Elizabeth to Ontario for Bible College and we thank God that they have the opportunity to grow spiritually and seek God's will.

One of the highlights of the summer was the baptism of two men at the church. Praise the Lord!

I had the privilege to baptize Frank, a middle aged Italian man that I had led to Christ after a Wednesday night service, and a young man Sean who had gotten saved in Sunday School.

We were thankful to have Pastor Frank Siemens and his wife visit us and preach our Revival Sunday in the month of September..

Pastor Jim Price and his wife Ruth came for our Missions Conference and we appreciate their heart for souls and burden for the Word of God to be spread and shared to the world.

Our Missions theme was "Making Jesus Known", and the conference ran from October 4-5.

It was a blessing that the church could be reminded and refocused again on the importance of reaching souls with the Gospel both near and far away. Praying for God to help our church do more for Missions in the coming year.

After one of our soul winning, we were hit on the side with damages in a car accident. We thank God no one was hurt, but the car had to be taken to the garage for extensive repairs. We thank God for providing a rental car for us to use in the ministry and for our family. We may not always understand why things happen, but we know that God is always in control, and we continue to put our trust in Him.

We have had 47 visitors over the past few months and we praise and thank God for bringing new people into the church so they can hear the Gospel of Jesus Christ.

Some of them continue to come on Sunday mornings and we pray that they will find their place here at the church.

On the last Sunday of September, we had two of the visitors, a young man named Christopher, and a young lady named Lovely, receive the Lord after the morning service.

It was such an encouragement to see God working in the hearts of these visitors, and we pray that they would plant themselves in the church and grow spiritually.

During the Sunday Missions conference, Carmen, a young mother of 2 children visited the service, and my wife had the privilege of sharing the gospel with her. My wife had seen her on 2 other occasions and would always invite her to church. And by God's grace one of the church men saw her passing by the church and invited her to the Missions Conference. Carmen had many tears and listened well as my wife explained God's plan of salvation to her. She admitted that she was a sinner and wanted forgiveness for her sins, and she humbly bowed her head to receive Jesus Christ as her Saviour. She was very thankful and Carol gave her a Bible and encouraged her to read it and to come to church. She lives very far from the church, but we know that God can make a way for her.

With the beginning of fall, and the young people back to school, we started a Youth Group for 11-17 year olds. Praying that it will be a help to them in dealing with the struggles of adolescence as they finish up Primary School or start High School.

My wife held a Ladies Fellowship at the end of September with a Ladies soul winning time and she encouraged the ladies in their walk with Jesus and to share the Gospel with others. They also had a great time of games, food and fellowship and even though only some of the ladies attend, we pray that more will come to the next one.

God blessed our Thanksgiving as the church was packed and the Sunday school children performed a Thanksgiving presentation of God's goodness.

We give God all the glory for all that He has done in this ministry and in our family. Thank you so much for your prayers and support in the Lord's work here in Montreal. We know that God is faithful in reaching souls and changing lives, and we are so thankful to be a part of God's work. Thank you for your investment in this part of the vineyard.

We are praying for you and may God bless you and your ministry richly through our Lord Jesus Christ.

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world. John 16:33
