September-October 2025

Dear Praying Friends,

This morning, as I was going through some mail, I found cards sent for birthdays, our anniversary, and general notes of encouragement. Thank you so much to those who remember and pray for us!

It is the holiday season. Although Thanksgiving is not normally celebrated in Mexico, our church family took the opportunity this past Sunday to celebrate with lunch and special services. We were happy to have several visitors in attendance. God has once again faithfully provided a bountiful harvest here, and we are so grateful. Happy Thanksgiving to you all, and we also want to wish you a very Merry Christmas!

The lady we mentioned in the last letter gave birth to a healthy baby boy. That was such a joy to the church family. Our church ladies held a baby shower, and many visitors attended. My wife had a good conversation with one of the young ladies, and she sounded interested in returning for a service sometime.

We ask for continued prayer for those in the congregation who struggle with sickness. Wages are low here, and medical care is expensive. Financial burdens are a real challenge to many. The cost of living is not that much less than in Canada, yet wages are much lower.

We are planning a soul-winning conference for next week. All Christians could benefit from regular motivation in this area. We are praying for personal growth and fruit from this ministry.

We are excited to announce that our second daughter, Bethany, is engaged to be married! A March wedding is planned. She recently published her third book and has been able to participate in some interviews. She enjoys being a writer. Virginia is able to influence many as she teaches piano. She is a real help in the music ministry and as my secretary. Joe is busy working and has just purchased his first car. That is an accomplishment considering the wage he makes. He has been faithful in managing his money well. Our younger children are in school. Emily will graduate in the summer and loves spending time with her horse. Hannah has become a young lady, and her energy is always inspiring. Micah spent the summer mowing grass for others, as well as hiking and cycling. He has a bunch of rattlesnake rattles hung in his room as trophies from his summer adventures. Marcos and Abby are excited for Christmas. They play with toys a lot and are growing quickly. We don't have very young children anymore. Times change quickly. We are so thankful to God for the many blessings we enjoy.

Thank you to each of you for your love toward us! Again, our prayer is that God would bless you richly.

In Christ,

Will Klassen
