

November 2025

"O give thanks unto the LORD, for he is good: for his mercy endureth for ever" (Psalm 136:1).

Dear friends, family and ministry partners.

Our hearts overflow with thanksgiving for all the Lord has done and for each of you who faithfully support this ministry through your prayers, encouragement, and generosity. We could not walk this journey without you.

### **Ministry Highlights**

This year, we had the privilege of visiting many of our churches and friends in the United States. Also, God gave us the opportunity to spend sweet time with our family and brother in Christ. After much prayer (due to Ruth's knee problem) we decided to cut our furlough short and come back to the field.

What a blessing to see the way God has given guidance and growth to our churches here! We have been very active in many ministries, but outreach has been our main goal since we got back. Uruguay is lost in secularism and sin. The fact that we have a leftist government has made it worse, allowing all types of erroneous teaching in schools and universities.

# Through Bible studies and community outreach, we've seen hearts open to the Gospel and lives being transformed.

- · Don Segundo Amaro, 105 years old, was saved last year and has gone through the discipleship program, but could not come to church because had to take care of his son. Since his son died, he has started to come to church lately.
- · Ruth, a Mormon most of her life, has come to know the real Jesus. Her situation is hard since many of her family are devout Mormons and her grandfather is a bishop in the Mormon church. She has started to attend regularly to El General church.

## Prayer requests and upcoming events...

- · Pray for Mark's visit. Our son and his family are spending two weeks in Uruguay, doing a survey trip and visiting. Please pray that God will lead them to the place where He wants to use them. The city of Montevideo and its surroundings are in their hearts.
- · Both of our children and their families raising support have reached 50%! We are praising the Lord for it and praying that soon they will have all their needed support.
- · Our Christmas program.
- · Seminary, Youth Camp and VBS program in January.
- · We don't have a date yet for Ruth's knee surgery, but things are speeding up!
- · Pastor Gustavo is recuperating amazingly. Please, pray for a full recovery and strength.
- · The church in Nueva Helvecia has almost finished its building; they only need to put in the

floors to complete it.

- · Consequences of atheism.... We have seen more cases in Uruguay of people killing their family and then themselves. Pray for more opportunities to talk to people about their need of salvation.
- · Psalms 14:1: "The fool hath said in his heart, there is no God. They are corrupt, they have done abominable works, there is none that doeth good."

### **New Opportunities**

We have been invited to visit and preach several times at some our churches in Uruguay. What a joy it has been to meet new Christians and see the growth in their churches. Please continue praying for Uruguay, that the Word of God will spread through the country bringing many to salvation.

#### **Thanksgiving Reflections**

This season reminds us to meditate on God's faithfulness. Even in challenging moments, we have seen His provision—sometimes in unexpected ways. We are especially thankful for:

- · The privilege of sharing the Gospel freely in Uruguay;
- · The strength and health to continue serving;
- · The love and support of this ministry through you, our churches!

### As we close the year, please join us in prayer for:

- · Open hearts as we continue sharing the message of hope;
- · Protection and strength for our team;
- · Resources for upcoming projects and outreach events;
- · Spiritual growth for new believers.

### With Grateful Hearts

From our family to yours, we pray your Thanksgiving is filled with peace, joy, and reminders of God's abundant grace. May His presence surround your home and bless your gatherings. We thank God for you!

With love and gratitude,

Your missionaries and friends, Archie and Ruth Perez Uruguay
