

The REIMER Family

Dear Pastor,

November 30, 2025

The past couple of months have been extremely busy. We arrived in Canada this month to begin a time of furlough, and there was much to do to tie up loose ends in Liberia with both our home and the ministry. On our way back to Canada, we were able to spend a week in Germany taking in a missionary retreat before completing our journey.

Since our arrival, we have dealt with jet lag, sickness, homesickness, settling into a new 'home,' and everything that comes along with that. It has been a blessing to spend some time with our families and our sending church family.

God has been so faithful through it all, and since Canada, Liberia, and the U.S. have all celebrated Thanksgiving recently, we want to testify of the goodness of God and our thankfulness to Him and to you!

Thanksgiving

- We are thankful that we got our Land Cruiser back from repairs, and it looks as good as new!
- We are thankful for a positive response regarding our Child Tax Benefit, with Ethan being added to our benefit and receiving backpay for the months missed!
- We are thankful that the Lord worked it out for me to do my practicum at my alma mater, Canadian Baptist Bible College. I have started working on it already.
- We are thankful for eleven believers baptized since our last letter. Seven of those were from the Dennis Town ministry, and another one was our son Levi. Most of those who were baptized have been saved through the ministries of T.B.C. in the past couple of years!
- We are thankful that Levi and Bethany were able to join a large group of children from our T.B.C. Children's Ministry to participate in a Children's Ministry Retreat.
- We are thankful that our travels went well, as we went from Liberia, to Belgium, to Germany, to the U.S. and finally arrived in Canada. Our children were seriously the best travellers ever!

- We are thankful that the Burchwells are taking care of our home, vehicles, and animals in Liberia while we are gone. They are also helping out in the ministries of T.B.C. in our absence.
- We are thankful for the time spent at the missionary retreat, and for the new friends made while there.
- We are thankful for our own families, and our church family who have bent over backwards to help us get settled in for our furlough.
- We are thankful to have been able to purchase a van to use for our travels on furlough.
- We are thankful for the love, prayers, and financial support that continue to be poured out on our family!

Furlough Plans

We plan to spend the next couple months in Winkler. In that time we will try to rest, reconnect with family and our sending church, and celebrate Christmas. We are also working on getting caught up on various health needs, shoring up some serious wardrobe deficiencies, and I am also working on completing my practicum, all while staying connected to our church family in Liberia.

In the new year we do plan to begin travelling to report to some of our supporting churches as opportunities arise, and as our schedule permits. We will also plan to prepare and send out new prayer cards and an update video in the new year. We trust you will be encouraged as you see the continued fruit of your partnership with our family!

With hearts of thanksgiving,

Benjamin & Jackie Reimer
