

Last Quarter 2025 Update for Carolynn Sharp

The thanksgiving season (I connect to both Canadian and American) gives us added opportunities to share with others special blessings and answers to prayer.

This fall I drove 3 other ladies to a ladies retreat. We were blessed by fellowship during travel and challenged by the speaker on the subject of Biblical wisdom.

Neighbors came for a thanksgiving tea at my place last week. Sharing God's blessings and answers to prayers was an encouragement to each of us.

I was rejoicing for a special gift that came from a church for the New Hope Pregnancy Centre. We were still lacking funds to get the electrical system running correctly. Now the funds were available and a friend travelling to Liberia in October was able to hand deliver them and also visit the counselling centre. **Thank you Lord.**

A What's App phone call to Liberia enabled the blessing of talking with the Client Services Director, Ma Esther and other counselors recently. It was encouraging to hear their reports of clients who had trusted Christ as Saviour and others attending classes at the New Hope Pregnancy Counseling Centre. Ma Esther also said her health was good. **Thank you Lord.**

Another praise was the opportunity that all of us siblings were able to be together briefly this summer. These times become more precious as we get older and even more so as one of my brothers has a serious cancer. We live one day at a time with our heavenly Father in control.

My long distance travel days are over. However, I do appreciate having a dependable vehicle that I can use to be a blessing visiting patients, taking ladies to appointments, attending funerals and so on. God is good all the time. My health issues remain stable. I am continually thankful for my supporters and prayer partners who God uses to bless and encourage me. Thank you all for your friendship and care.

PS-Nov update- Ma Esther is unwell again, please pray for her.

In His love,

Carolynn Sharp
