Dear Faithful Supporters,

January 2026

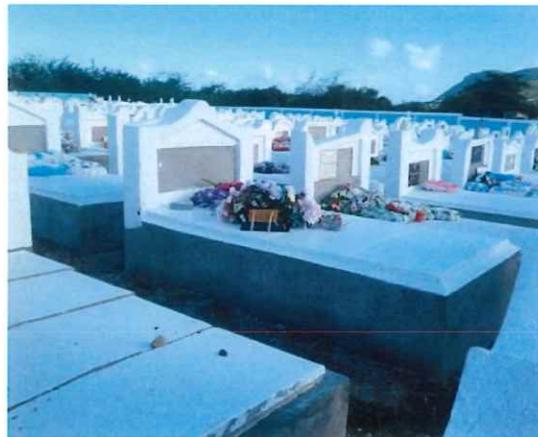

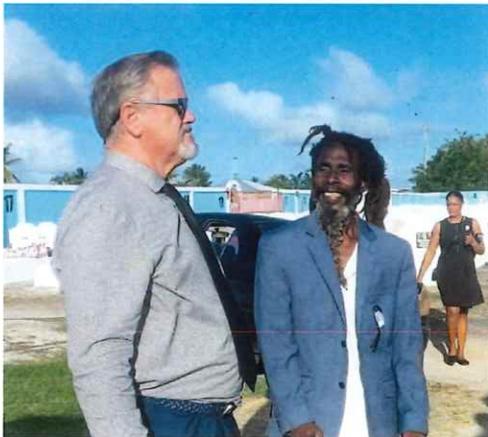

Happy New Year! We hope that you are all having a fantastic start to 2026. Thank you for your faithful support last year and all the years before. God is good, and He is in control. We were blessed to spend some of the Christmas season with all our adult children and other family members. It was a much-needed rest and family time. Also, Wes had his annual heart / pacemaker checkup and all went well. In our absence, we were privileged to have our friend Pastor Robert Wall fill the pulpit in St. Lucia. Our church folks loved having Pastor & Mrs. Wall here and were encouraged.

As we start this new year, we are very pleased with how our building project for Bruceville Baptist Church is coming along! We are looking forward to sharing with you in our next letter some of the exciting things planned for this year.

Although we are already using the bottom half of the building for services, we are excited that in the next couple of months, we will be close to completing the building and have set a "Grand Opening/Open House" date of June 28th, 2026! This date also marks our 14th year of serving in St. Lucia! God has been good.

Last month, I had the privilege of preaching the funeral for Sylvester Dantate, one of our faithful men from Bruceville Baptist Church. Despite some disruptions and noise, the salvation message was shared with over 100 people from the area. Please pray with us as the seed of the Gospel was sown in the hearts of many.

A few prayer requests:

1. Souls to be saved, baptized, and **grow**.
2. The faithfulness of young men in both churches
3. Safety
4. Health for Wes and Faith
5. A young man/family to train for the work of the ministry

Thank you for your faithfulness. Your thoughtfulness is not overlooked, and we are grateful. We are looking forward to having a wonderful year.

In His service,  
Wes and Faith-Ann Bartley
