

Dear Pastor, Church Family, Family, and Friends:

September-December 2025

SEPTEMBER-ANNUAL PASTORS' CONFERENCE AND CHURCH REVIVAL: This is a really big event for our church every year. We started this 25 years ago. It has really grown over the years. Our special speakers this year were Pastor Adam Thompson and Pastor Joseph Brown. They brought along with them Missionary Keith Stensaas from Uganda, Pastor Aaron Pryor from North Carolina, and Pastor Caleb Cenereski from Alaska. These men spoke in some of our sessions and also to our college students. We had over 560 Pastors and 130 were first time. These Pastors come from all over our island of Mindanao. Also joining are church workers and Pastors' wives. On Friday, my wife and staff host a special day for them with special sessions and give aways. Each Pastor that attended received Bibles and tracts and other helps for them. The first time Pastors also received a Thompson Chain Bible. Then on Sunday morning starts our annual revival. Pastor Thompson and Pastor Brown were our speakers. Our church prayed and our people brought many visitors. We saw many people saved that week. The preaching is always a great help to our people.

Pastor Joseph Brown, Pastor Adam Thompson, Pastor Keith Stensaas

OCTOBER-MISSIONS MONTH: Every week throughout this month, we have a missionary present their work. Also, one of our faithful members give a testimony each service throughout the month about tithing and missions giving and how God worked in their lives regarding their giving.

NOVEMBER-FAMILY MONTH: This is a great ministry we started years ago and it is a blessing to our church. We had over 450 families get family pictures. Before, we only took pictures on one Sunday. Now we have to do it every Sunday during the month. We take for an hour and a half before Sunday school, then after the morning service. The teaching in Sunday school and preaching throughout this month is all about the family. We always have new families added to our church this month.

DECEMBER 12 AND 14-CHRISTMAS MUSICAL: "THE LIGHT OF THE WORLD IS JESUS": Our church members and college students join together during this time and it is a great blessing. We have many people saved during this event. Our Church choir, Teen choir, Majesty children's choir and College choir all are a part of this.

We want to wish everyone a very "Merry and Blessed Christmas and New Year." We are so very grateful for you all. 2026 could be the year Jesus comes back, and now more than ever we feel the great burden to get the Gospel out even more all over our island of Mindanao. Thank you for praying and giving. Pray this will be the greatest year of harvest for souls we have ever had.

May the Lord bless you,
Doug and Becky Sisson
