

## Reaching the Generation to Come

“...unto this generation, and...every one that is to come.” Psalm 71:18

*“Many, O LORD my God, are thy wonderful works...  
if I would declare and speak of them, they are more than can be numbered”  
Psalm 40:5*

### God is doing many “wonderful works” through your prayers.

- Ladies’ S.S. class—The ladies have profited greatly from the lessons on the home. One lady shared with me that she gave someone the homework paper and found out later that this lady was going to get a divorce, but didn’t after reading the paper. **Pray** that God will strengthen the homes of our church families as the ladies obey His Word. **Pray** for wisdom to know what to continue to teach the ladies.
- Children’s ministry—More of the children who come to the Children’s Bible Club are now coming to S.S. too. One of the teachers was excited that the children already knew the memory verse for her class because they had learned it in the Bible Club. Another boy, Mateo, got saved as he talked to Pastor Josué on the way home after Bible Club. **Pray** that more children will be saved and those that are Christians will grow in the Lord. **Pray** that their parents would come to church and be saved too.
- Christmas ladies’ meeting—The ladies really enjoyed the meeting. One lady has encouraged me to have ladies’ meetings more often. **Pray** for God to give me wisdom and time to have more meetings.
- Youth meeting—It was a great blessing to have the meeting at my house one night. A couple of the young ladies let me know in a conversation we had a few days later that the Lord used the lesson taught by one of the men in the church to work in their hearts. **Pray** for the Lord to continue to work in the hearts of our young people so that they would depend upon Him in their daily walk.
- Samantha and Lia—These two young ladies from another church, who were studying at the university in Tegucigalpa, stayed at my house for a few days or weeks. They enjoyed helping me in the ministries at my church. I enjoyed encouraging them and praying together with them most every night. **Pray** that they will continue to follow the Lord’s leading in their lives.
- Neighbors—Around Christmas I was able to share some homemade cookies and a tract with several neighbors and briefly share the gift of salvation. The biggest blessing was that one of the neighbors was going to witness to me! I am thankful that he is already saved and offered to help me if I ever need help. **Pray** that God will give me more contact with neighbors so that more would be saved.
- Camp—I greatly enjoyed serving the Lord in a camp which ministered to 350 young people from many churches. It was a challenge to be one of the judges for some competitions but encouraging to see how many of these young people are serving the Lord in their ministries by teaching children, singing in church choirs, and preparing dramas to teach truths from God’s Word. **Pray** that those who made decisions would put into practice what the Lord convicted them about through the messages from His Word.

Thank you so much for your prayers for God to continue to do many “wonderful works” in Honduras.
