January 16, 2026

Dear Praying Friends,

It is amazing that we are already half way through the month of January in a new year. Time goes by so quickly! First of all I want to thank you for your faithful support and the many Christmas gifts you sent to me. I continue to be blessed by the faithfulness of each of you on my behalf. God is so good!!

My son Kory drove about ten hours to come and get Jan and me and take us back to Kentucky the next morning. Jan's daughter came and got her and she went down to Cleveland, Tennessee, and Atlanta, Georgia, to be with her children. After three weeks we returned home this past Saturday. It was a special time with my son and his family. They are so good to me.

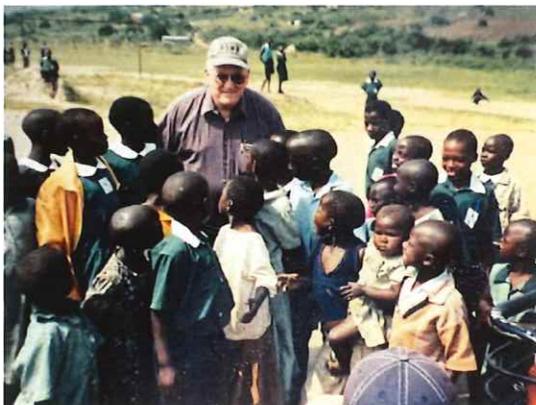

It is always good to get back home and I am especially glad to be in my home church! I really missed teaching my ladies' class and will begin again this week. The Lord has kept me well also; an extra blessing with so much sickness around.

I received a text from a dear missionary wife and friend in which she said, "I am going to be praying for you this year that God will continue to bless you and use you in a great and mighty way." I am really burdened about the Lord doing a special work in our church. While gone, the Lord led me to begin teaching "The Holy Life and How to Live It" to my Sunday school class in the near future. It is a study the Lord brought into my hands when under Dr. J. Harold Smith in my late twenties. It was from a 1940's Moody Magazine that an elderly man in the church gave me as he was seeing the Lord turn me inside out. I also had a young pastor call that Ron and I were able to help in the past and again I was able to send him some books that I believe God will use in his life at this time. I also had another book order from a Baptist Bible College in Canada that continues to use it with their students. It is exciting to walk with the Lord at this stage in life! Thank you again for all your prayer support.

I needed to share with you again that my physical address has changed to 9515 County Lane 174. We are still in the same place but they just made us a County Lane rather than Jayhawk Road.
