## YEAR END PRAYER LETTER [Dec. 2025]

Dear friends & supporters,

As we enter this busy holiday season, I wanted to take a moment to express our sincere gratitude for your faithful partnership in the ministry, your friendship, and above all, to give all the glory and honor to our Lord.

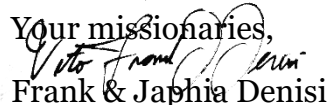

As we bring 2025 to a close, we can truly say it has been a fruitful year by God's grace. We witnessed approximately thirty souls follow the Lord in believer's baptism, welcomed fifteen new families into the church, and experienced record enrollment in our Bible college. The year also brought its share of trials, including an earthquake and two typhoons. One of these storms caused significant damage and even loss of life in the neighborhood surrounding our church. Yet, even in the midst of hardship, the Lord continued to work. We know with great assurance that 2026 holds more miracles and the moving of God, so we will continue to trust Him.

We were privileged to see eleven new converts from an unreached tribe come to Christ, the beginning of two new churches, and an increase in indigenous missions giving from the national believers—far beyond what we ever thought possible. These blessings serve as a clear reminder that this is the work of God, and not of ourselves.

While there have certainly been both highs and lows, we are continually reminded that God remains faithful.

Though we may not know all that each of you is facing in your homes, families, and churches, we are confident in this truth: God's grace is sufficient for every need. From my wife, Japhia, and myself, we extend our warmest wishes for a Christ-centered Christmas and a blessed New Year.

Thank you once again for your faithful partnership in ministry and in life.

Your missionaries,
