Missionaries to Perú

To Our Faithful Supporters,

FEBRUARY 2026

1 John 3:18 says, “My little children, let us not love in word, neither in tongue; but in deed and in truth.”

As we entered into the new year, our church went over our calendar and goals for 2026. Our theme this year is “A call to action.” We want to be a church that is more than promises made by word but “in deed and in truth.” We’re asking God for a stronger church body and more laborers. We pray that God will allow the church to have its own property to worship Him.

These last two months were filled with evangelistic events and church gatherings. The Ladies Christmas Gathering, Chocolatadas, Church Christmas Fellowship, Christmas bag visits, Children’s Christmas service and more. With church membership comes also the recognition of the Lord’s Supper together.

In January we had the privilege to travel to the States and spend one week with our children in Wisconsin and two weeks with our oldest son in Vermont for the birth of our first grandchild. Our healthy and beautiful granddaughter, “Julieta Faith Harris” was born on January 8th. We are thankful for one of our sending churches giving financially to make it possible for us to be with them for her birth and have time to help them afterwards. We had an evangelist cover our ministry in our absence from Peru, and he was a blessing to our church. Thank you to those who prayed for our safe trip back as we begin the new year and look forward to what God will do. January through March is summer break for schools and is also rainy season in Peru. Please pray for those affected by mudslides and dangerous roads, as well as for the camps taking place this month.

We have a blessing to share concerning our land fund. We have received sacrificial offerings these last two months to raise the total amount received to date to \$98,142.31. We give thanks to God for His provision and are thankful to those who have given. May God add fruit to your account and supply your needs. We are praying for wisdom as we move forward with God providing land for our church.
