Dear Friends,

“ I will meditate also of all thy work, and talk of thy doings.” Psalm 77:12

So good to see many of you on our recent 3 month furlough! The time in the US in churches was very encouraging and we thank you from the bottom of our hearts for all that you did for us during that time!

Thank you also for all of the Christmas offerings we received! What a blessing! These extra gifts are special and meet needs we don't normally express. May God bless you for thinking of us.

Upon returning to Honduras on December 26th, our first task was to get ready with our folks at Faro de Luz to host a medical team from Haslet , TX. Tracts, posters and banners were sent to the printers, church members were activated in getting out the news, ladies and families volunteered for cooking and dinner slots, a team was organized to give out backpacks for children returning to school, we made plans with the director of the medical team for their stay, coordinating pickups, etc., an evangelism group was organized to present the Gospel during the brigade week, and volunteers signed up for jobs such as registration, translator, runner, etc. It was a busy time during those first weeks of January, and God blessed as we all worked together and the team arrived, ministering to 904 individuals with general medicine and optical services! 71 of these individuals prayed to receive Jesus as Savior. We realize only God knows the true results, but it is a blessing to give out the Gospel and see people respond to His message!

We praise God for Pastor Eric Crawford and Heritage Baptist, Haslet, TX for their vision for missions and for Phil and Rachel James who head up the medical teams out of this church. May God receive all the glory! It was a tremendous time of working together and meeting the needs of our community! Also, of our 50 or so people in the congregation at Faro, over 30 of them worked in some form during the week at the medical clinic. That is a great percentage and unifies us as a church.

Enjoy some of these photos and praise God with us!
